Subject to the conditions and limitations stated below, Noble Manufacturing, LLC. ("Noble"), warrants that the products listed on this document will be free from manufacturing defects and will not break down or deteriorate under normal usage for the life of the original tile installation when installed in accordance with Noble's current written installation instructions, applicable standard industry guidelines, and building codes. For this Lifetime System Warranty to apply, the applications that comprise the installation must be performed with the products listed in this document for each applicant (refer to Product Warranty Registration Form). This Lifetime System Warranty is applicable to installations only in the United States of America and Canada. This Lifetime System Warranty excludes exterior, industrial, and submerged applications. You must refer to individual product data sheets for specific guidelines.

Notwithstanding the previous paragraph, exterior facades with ceramic tile, stone, adhered masonry veneer, or thin brick installed over substrates with steel or wood framing do not qualify for this Lifetime System Warranty.

DISCLAIMER

THIS LIFETIME SYSTEM WARRANTY IS GIVEN IN LIEU OF ANY OTHER WARRANTY, EXPRESSED OR IMPLIED. THERE ARE NO OTHER WARRANTIES, EXPRESSED OR IMPLIED, INCLUDING WARRANTIES BASED ON SAMPLES OR ORAL STATEMENTS, WHICH EXTEND BEYOND THE DESCRIPTION ON THE FACE OF THIS DOCUMENT. IMPLIED WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE ARE EXCLUDED. STANDARD MANUFACTURER'S WARRANTY PERIOD MUST EXPIRE PRIOR TO TRANSITION TO THIS LIFETIME SYSTEM WARRANTY.

LIFETIME SYSTEM WARRANTY

(United States and Canada)

EXCLUSIVE REMEDY

As the sole and exclusive remedy for a breach of this Lifetime System Warranty, Noble will pay for the replacement of its own products and replacement of finishing materials, as well as for the replacement installation, but Noble will not pay more for the replacement, calculated on a square-foot (square-meter) basis, than the original purchase price of the portion being replaced of the agreed upon affected area. Finishing materials include those items on the approved Product Warranty Registration Form. Noble will not pay for replacement of any portion of the installation that is not proven to be defective*. In the event that the sole and exclusive remedy described above fails of its essential purpose, the liability of Noble is limited to the monetary value, on a square-foot (square-meter) basis, of the original purchase price of the portion being replaced.

*NOTE: Efflorescence is a normal condition of Portland cement mortars and is not a defective condition.

EXCLUSIONS

Noble is not responsible for workmanship not installed in accordance with Noble's current written installation instructions and standard industry guidelines. Cracking due to structural movement, excessive deflection or other failure in the substrate is also not covered. Noble is not responsible for availability, lot matching, or replacement product. Noble is not liable for any incidental damages or consequential damages, including losses due to delays incurred by the purchaser or any other party.

NO ASSIGNMENT

This Lifetime System Warranty is not transferrable or assignable.

HOW TO MAKE A CLAIM

To make a claim under this Lifetime System Warranty, all products must be successfully registered and approved by Noble within thirty (30) days of installation date using the attached Product Warranty Registration Form. Noble will not retroactively approve any project that has already been installed prior to the creation of this warranty. You must notify Noble in writing within thirty (30) days of the discovery of the alleged manufacturing defect. Noble reserves the right to view and approve the defect and at no time can a repair or demolition occur prior to approval from Noble.
